## Features & Benefits

- Constructed of solid/veneer black walnut & lacquered composite board in matte natural & satin white finish

- Self-storing butterfly leaf extends the table from 63" to 79" when more space is required

- Cabled ball-bearing table slides allow easy opening of the table, even from just one side (T1-MD3579)

- Each leg is securely fastened with 2 oversized bolts, ensuring extra stability and durability

- All drawers are mounted on ball-bearing slides, ensuring years of smooth operation

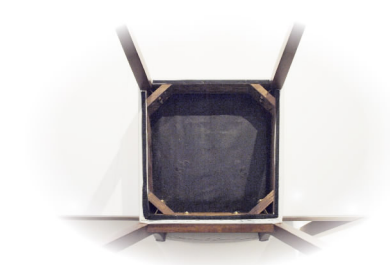

- All doors are mounted on European type soft-closing hinges

- Recessed stainless steel handles complement the stylish, modern design

- Simple but effective glide system allow the doors to open/close smoothly (A1-MD179B)

- Chairs have dust cover underneath & are corner-blocked on all four sides for rigidity and durability
