

# Emerson Dining

• Emerson Dining Shown with Optional Sideboard

- The durability of solid hardwood tops ensure years of enjoyment

- Self-storing butterfly leaf makes shortening and extending the table a breeze when needed

- Solid hardwood construction, featuring stepped bullnose profile

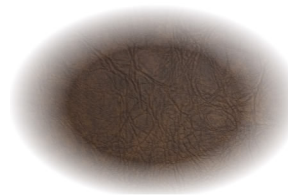

- Apron covers conceal the gaps on table skirts

- Gun metal finished knobs and hinges accentuate the medium finish

- Chairs are corner-blocked on all four sides for rigidity and durability

- Textured vinyl seats are durable and easy to clean

- Also available: 42 x 57 pedestal table

- table extends from 60" to 78" rectangle with one 18" self-storing butterfly leaf; metal drawer glides, fire retardant foam, all materials used are P2 compliant for formaldehyde emission
