

# Maxwell Dining

• Maxwell 72" Table with matching chairs

• Acacia veneer arranged in herringbone pattern with powder coated metal legs

• Distressed finish features saw marks, natural knots and pinholes for authentic rustic look

• Table top is supported with full perimeter metal tubing and 2 cross members.

• Each leg is securely fastened with 2 oversized bolts, ensuring extra stability and durability

• Powder coated steel legs in matte black finish are strong and maintenance free

• Sturdy legs are equipped with levelers to ensure table remains stable on all floor types

• Chair features faux leather and skillful stitches with great comfort & support

• Corner bracing on chair legs adds extra strength and stability

Maxwell Collection:

Surrounded by these sculpted faux leather chairs with metal legs is this stunning acacia veneer table with a beautiful Herringbone patterned top. The distressed finish really gives this set its unique look.
