

- the tambour door tracks are made of one-piece steam-bent solid oak

- finished back shows that the width of each veneer strip is matched to the panel. You'll never see a narrow incomplete strip in a Winners Only desk!

- the Winners Only insignia is synonymous with quality and craftsmanship since 1989.

- full extension ball-bearing slides are employed on all drawers

- no details are spared: even pigeon-hole drawers are sanded, sealed, and lacquered

- top-notch hardware plus superior craftsmanship equal lasting quality

- english dovetail construction is found in both front AND back of the drawers

D3-H154C shown in Light finish.
Also available in Dark.

- extra large keyboard tray with flip-down front provides ample working space while maintaining the beauty of a classic design

- wire/cable passage is concealed with colour-matched wood grommets

- other features: solid Northern red oak and oak veneer construction, P1 compliant for formaldehyde emission, lockable canvas-backed tambour door, accessory & media drawers, lockable legal-letter adjustable file drawers, raised panel construction, secretary pullout trays, multi-step/multi-coat finish, and much more!
