

Modera Living Room

• Modera living room

• Constructed of solid/veneer black walnut & lacquered composite board in matte natural & satin white finish

• All drawers are mounted on ball-bearing slides, ensuring years of smooth operation

• Each leg is securely fastened with 2 oversized bolts, ensuring extra stability and durability

• Shelves are height adjustable, providing great flexibility

• Recessed stainless steel handles complement the stylish, modern design

• All doors are mounted on European type soft-closing hinges

• Even drawer interior is finished to the same high standard as outside surface

• Chairs have dust cover under & are corner-blocked on all four sides for rigidity and durability

• The striking contrast provided by matte natural American walnut and satin white lacquer forms the foundation of this contemporary collection of dining, entertainment, and occasional furniture. Its stylish and clean line will enliven any contemporary décor. * Narrow display unit no longer available.
