

Emerson Dining

• Emerson pedestal table with ladderback chairs

• The durability of solid hardwood tops ensure years of enjoyment

• Self-storing butterfly leaf makes shortening and extending the table a breeze when needed

• Solid hardwood construction, featuring stepped bullnose profile

• Apron covers conceal the gaps on table skirts

• Tapered square pedestal adds a touch of contemporariness to the design

• Geared tracks allow the table to open & close from one side

• Chairs are corner-blocked on all four sides for rigidity and durability

• Textured vinyl seats are durable and easy to clean

• table extends from 42" square to 57" rectangle with one 15" self-storing butterfly leaf; all materials used are P2 compliant for formaldehyde emission; matching sideboard (not shown) also available,
